

W ARTIOLI

SPRING SUMMER 2020 COLLECTION

Experience and passion for perfection, history and know-how are combined with creativity, quality and values.

The real gentlemen line, with its chic summer spirit draws inspiration from the glamorous lives of the Hollywood actors as Gary Cooper, Gregory Peck and Cary Grant.

Special creations of elegant and casual shoes with matching accessories are the new masterworks, made in soft leathers treated with pure aniline, buffered with waxes and creams.

Some new decorations enrich the minute details with perforations, hand sewing and precious skins details.

The color's palette is a combination of bright and deep hues with highlights in pastel tones and splashes on light blues, sand, green, greys and wine tonalities.

These days, Heads of State, the glitterati and various celebrities swear by Artioli shoes, which are complemented by other outstanding products like belts, wallets, bags, luggage and leather jackets. This avant-garde attitude paired with exceptional artistic and exclusive taste makes Artioli a unique Brand.
